22. [REDACTED] LIAISON Fred Kaiser, from Congressional Research Service, called to request the presence of a CIA official at the National Convention of the American Society for Public Administration to be held on April 9 - 12. The Convention will take place in Phoenix, Arizona and the four-member panel to which CIA is invited will convene for two hours on the afternoon of 11 April 1978. Other invitees are: Arnold Donahue, of OMB, a Senate Select Committee on Intelligence staffer--still unnamed, the Chief of the Government Division of GAO, and a representative of CIA. The subject will be Intelligence Reorganization and Reform. I told Fred Kaiser that I would get back to him, but have since discovered that he called OGC the preceding Friday and that Tony Lapham, OGC, is well apprised of the invitation. I discussed the invitation with Sue, Tony Lapham's secretary, and am satisfied that OGC has a firm grip on the problem. Accordingly, I called Mr. Kaiser and informed him that he should expect to hear from OGC sometime in the near future.
